AVATR 11

THE FUTURISTIC LUXURY SUV

Signature Light Language

Sculpted LED signatures and a clean, sealed fascia announce a new definition of futuristic luxury.

Integrated Fixed Rear Spoiler

A seamlessly sculpted spoiler and full-width light bar accentuate the coupe-SUV silhouette, blending aerodynamic purpose with poised elegance.

One-Touch Door Closing

Frameless doors close electrically at the press of a button — a signature of effortless sophistication, exclusive to the Performance edition.

Precision-Forged Alloy Wheels

Aerodynamically sculpted spokes paired with performance-tuned Brembo braking — engineered for both efficiency and command.

Precision-Adjustable Front Seats

12-direction driver and 8-direction passenger adjustment, each with 4-direction lumbar support — every contour set exactly where you want it.

50W Wireless Charging & Smart Console

Effortless power for your devices, integrated into a sculpted console designed around the driver.

LUXURY EXPERIENCE

Intelligent Connection, Extreme Comfort, Immersive Enjoyment.

Meridian™ Premium Sound System

A 25-speaker 7.1.4 surround architecture with dedicated driver speakers reproduces every note with lifelike precision — turning every drive into a private concert hall.

Triple-Screen Intelligent Cockpit

Dual 10.25-inch displays flank a central 15.6-inch HD touchscreen — a 35.4-inch panoramic canvas for seamless, intelligent control.

UV-Protected Panoramic Glass Roof

An expansive heat-insulated glass canopy floods the cabin with light while shielding occupants from UV rays and thermal intensity — openness, without compromise.

Rear Passenger Comfort

Thoughtfully integrated cupholders and storage extend first-class comfort to every seat in the house.

Intelligent Adaptive Cruise Control

With automatic lane change and advanced driver assistance, AVATR 11 keeps you effortlessly in command — confident, composed, connected.
